

ALUMNI MEET- TECHNOVISION 2018-19

Department of Electronics and Communication Engineering had organized departments annual "Alumni Meet" on 19th May 2019. The purpose of Alumni meet was to cover the gap between industry and academia. As a part of Alumni meet Final year Project exhibition and competition "TECHNOVISION-2018" was also conducted, for which Alumni were invited as evaluators and mentors. The event was informally inaugurated by Chief Guest **Mr. G V C Rajan**, Former Director, Systems Integration group, ISRO satellite Centre, Bengaluru. In the Inaugural address he gave an insight about challenges faced during satellite launch. Dr. Bindu A Thomas, Prof. & Head, Dept. of ECE, VVIET addressed the gathering and congratulated all alumni and final year students for successful participation. The event was followed by a group photo shoot. The event was coordinated by Mrs Bhavya V and Mrs Navyashree D, Assitant Professors, Dept. of ECE, VVIET. Final Year students exhibited their final year projects in the TECHNOVISION exhibition. Projects were evaluated by senior Alumni. Chief Guest **Mr. G V C Rajan**, also witnessed the projects and gave inputs for the same. During the event the blend with the Alumni's and students was excellent. The Alumni's were very happy about initiative of the Department. The event created a platform for exchange of ideas between students and alumni's. In the Feedback, the Alumni's suggested of having more and more such events to be conducted from the department. There were around 20 Alumni
